In 2020, the coronavirus epidemic has caused severe damage around the world. So far, millions of people have been infected, and many people have died from the virus. Many countries are facing multiple difficulties such as lack of medical resources and shortages of medical personnel. Even so, there are still many private companies and people around the world who quietly support and assist behind the scenes.

One of the Powered by MEAN WELL(PBM) partners have helped medical personnel in various countries. Do you want to know how PBM partners can assist medical staff in coronavirus pandemic? Please click on the picture below, and then you will find the answer.

For more comprehensive content, please refer to the [Powered by MEAN WELL official website](#), and subscribe to our [PBM YouTube channel](#)!
